

A new jazz release from

REUBEN HOCH AND Of Recent TIME

Reuben Hoch and Time - *Of Recent Time*

"In creating a concept for this trio, I felt that tribute needed to be paid to some of the great contemporary jazz composers of our time. The selected repertoire does not represent material that musicians often fall back on for comfort's sake."

- Reuben Hoch

Reuben Hoch exhibits the pinnacle role that the drummer plays in his newest trio, "Time". This fascinating group with jazz veterans Don Friedman and Ed Schuller pays tribute to the great contemporary jazz composers of recent time. The group grooves flawlessly through the music of Pat Metheny, Brad Mehldau, Steve Kuhn, Sam Rivers, Ornette Coleman, Don Friedman and Reuben Hoch. This trio fits beautifully into the tradition that Naim Records has created in their dedication to True Stereo Recording. A must for any serious jazz lover's collection.
